**Damages or Shortages**

All merchandise leaving HiProSpeed International Inc warehouses are inspected to be free from any damage before shipping. It is the responsibility of the customer to inspect shipments received from HiProSpeed International Inc. HiProSpeed International Inc’s responsibility for a shipment ceases when the carrier accepts the shipment. Visible damage, concealed damages or shortage claims caused in transit must be made directly to the freight carrier. It is required that all carrier freight bills be signed “subject to inspection.” It is the responsibility of the customer and the carrier to rectify claims. Shipment discrepancies or manufacturing defect claims must be made to HiProSpeed International Inc within three (3) days of receipt of order.

**Special Orders**

- All special orders must be made with a written, signed, and faxed PO to be accepted.
- All Special orders may be subject to advance payment to initiate the order.
- Although we make every effort to deliver parts in a timely manner, all special orders may NOT be cancelled for any reason.

**Returns**

- No returns on special order items.
- No returns on items not purchased from HiProSpeed International Inc
- New product returns must be in original package and in sellable condition.
- All merchandise returns must be filed within 30 days from the original invoice date.
- All Products returned within 30 days are subject to a 30% restocking fee of Net Purchase Price.
- All returns must be authorized for return with a RMA (Return Merchandise Authorization) number that will be issued by an account representative.
- The RMA number will be clearly written on shipping label or box, and shipment will be pre-paid to HiProSpeed International Inc or the shipment will be refused.
- All freight damage claims must be filed with freight carriers.

**Product Warranties**

Since all our products are designated as OFF-ROAD or RACING purposes, we do NOT imply or offer any warranty.

**Resale and advertisements**

- We request that you cooperate in maintaining our suggested retail schedule
